The Submission Process Revealed

w/ Elissa Brent Weissman

Can I sell my novel on just an idea? How do I know which publishers to approach? And how do I get my manuscript read? Elissa Brent Weissman demystifies the submission process for fiction writers, from targeting the right agents and editors to writing a query letter that gets you out of the slush pile – insider tips to help you land that book deal. Weissman teaches creative writing at UB and Towson and in Hopkins’ Odyssey Program; her third Young Adult book, Nerd Camp, is due out from Simon & Schuster in May 2011.
